

Hello from EBRD AgVenture!

Are you an innovative, early-stage agrifood tech startup with a vision for a greener, more sustainable future? The EBRD AgVenture competition is your gateway to significant growth and impact!

Why Apply to AgVenture?

We are looking for dynamic agrifood technology startups that operate in [economies where the EBRD invests](#) and focus on greening the agrifood sector. Here's what you stand to gain:

- Tailored advisory services: Up to €80,000 worth of support through our [Star Venture programme](#).
- €10,000 Grant: for business growth needs.
- Global Visibility: Showcase your solutions at major agrifood tech forums.
- Extensive Networking: Connect with EBRD, VC investors as well as our partners, such as EIT Food, Cambridge University – Institute for Manufacturing, and World Agri-Tech Innovation Summit.

Are You Eligible?

We are looking for startups that:

- Focus on solutions for climate and sustainability in the agrifood sector.
- Operate primarily in economies where the EBRD invests.
- Have an annual turnover of up to €1 million.
- Have been in business for less than ten years.
- Process a Technology Readiness Level (TRL) between 7 and 9

How to Apply

Interested start-ups can find all the details and apply [here](#).

Key Dates

- Application Deadline: 19 August 2024
- First Round of Pitching (online): 05 September 2024
- Final Round of Pitching: 30 September 2024 at the [World Agri-Tech Innovation Summit](#) in London

About EBRD

The European Bank for Reconstruction and Development (EBRD) supports businesses and economies to promote sustainable and inclusive growth. Through the AgVenture competition, we support innovative agrifood tech startups in creating a more sustainable food system.

Why Wait? Apply Now!

Your innovative ideas have the power to shape a more sustainable future. Take this opportunity to gain the support, visibility, and connections you need to scale your solutions. Apply now and join us in creating a resilient and sustainable food system.

Thank you for considering this opportunity. We are excited to see the groundbreaking innovations you will bring to the AgVenture Challenge.
