

Sayın Üyemiz,

Guangzhou Ticaret Müşavirliğimiz koordinasyonu, Genel Sekreterliğimiz organizasyonunda, **10-14 Aralık 2018 tarihlerinde** Çin Halk Cumhuriyeti'nin Guangzhou eyaletine yönelik bir **gıda sektörel ticaret heyeti** düzenlenecektir. Heyet kapsamında, her iki ülke girişimcilerini buluşturacak nitelikte iş görüşmeleri (B2B) ve Çin gıda pazarı ile ilgili detaylı bilgi edinilmesi için resmi ziyaretler ve pazar/süpermarket ziyaretleri yapılması öngörülmektedir.

Çin'e gıda alanında mevcut olan ithalat potansiyelinin ülkemiz açısından olumlu bir şekilde değerlendirilmesi, ihracatımızın artırılması ve iki ülke arasında işbirliği imkanlarının geliştirilmesi amacıyla düzenlenecek heyet organizasyonuna **gıda sektöründe**, faaliyet gösteren ve uluslararası standartlara uygun ürünleri imal ve ihraç eden firmaların katılımlarında fayda görülmektedir. Diğer yandan, Ticaret Bakanlığımız 100 Günlük İcraat Programı kapsamında, Çin'de ihracat ve yatırım imkânlarının artırılması doğrultusunda çalışmalar yapmaktadır.

Guangzhou, "Çin ekonomisinin kalbi, atölyesi", "ticaret merkezi", "açık pazar", "iş odaklı mantalite", "güçlü üretim merkezi" olarak anılırken, Guangzhou'nun başkenti olduğu Guangdong eyaletinde 90 bin yabancı (fabrika) yatırımı, 3 bin temsilcilik ofisi vardır. Guangdong eyaleti, üretim, perakende satış, mevduat, patent başvurusu sayısı, ödenen vergi miktarı, dış ticaret, cep telefonu ve internet kullanımı açısından Çin'de en üst sıradadır. Bölgedeki şehirlerin dış ticaretleri dünyadaki birçok ülkenin dış ticaretinden fazla olmakla birlikte, dünyanın ilk 500 şirketinin %20'sinin ofisleri ve üretim kolları Guangzhou'da bulunmaktadır. Çin'in en büyük iç ticaret ve dağıtım merkezi olarak bilinen Guangzhou ve çevresinde kozmopolit bir yapı bulunmaktadır.

Ekonomi sınıfı uçak bileti (THY), transferler, konaklama, ikili iş görüşmeleri, tanıtım, resmi ve turistik geziler ile öğle/akşam yemeklerini kapsayan heyet organizasyonumuza bir kişilik katılım ücreti 1.600 USD olup, Çin gıda pazarına halihazırda ihracat yapan veya bu pazara girmek isteyen firmalarımızın Heyete katılmak için **Ege İhracatçı Birlikleri T.Halk Bankası Alsancak Şubesi (Şube Kodu: 731), Hesap No: 53000266(USD Hesabı), Iban No: TR05 0001 2009 7310 0053 0002 66 (USD Hesabı) hesabına 1.600 USD (katılımcının iptal etmesi durumunda iadesiz) avans ödemesi yapmaları gerekmektedir.** Vize ücreti heyet katılımcıları tarafından karşılanacaktır.

Söz konusu Heyet programı "2011/1 sayılı Pazar Araştırması ve Pazara Giriş Desteği'ne İlişkin Tebliğ" kapsamında değerlendirilecek olup, anılan heyete katılmak isteyen firmalarımızın ödeme dekontu ile birlikte aşağıdaki linkte yer alan formu ve ekte yer alan formu eksiksiz doldurarak en geç **27 Eylül 2018 Perşembe günü mesai bitimine kadar tarim@eib.org.tr** adresine iletmesi beklenmektedir.

Bilgilerine sunulur.

e-imzalıdır
İ. CUMHUR İŞBIRAKMAZ

01 CHINA MARKET INFORMATION

土耳其

Turkey

Many agricultural products of Turkey, including hazelnuts, dried apricots, sultana and dried figs, have dominated the international market in terms of production and export. Besides, the food industry in Turkey is more developed than that in neighbouring countries.

All these advantages make **Turkey one of the largest exporters of agricultural products in the EMEA region.**

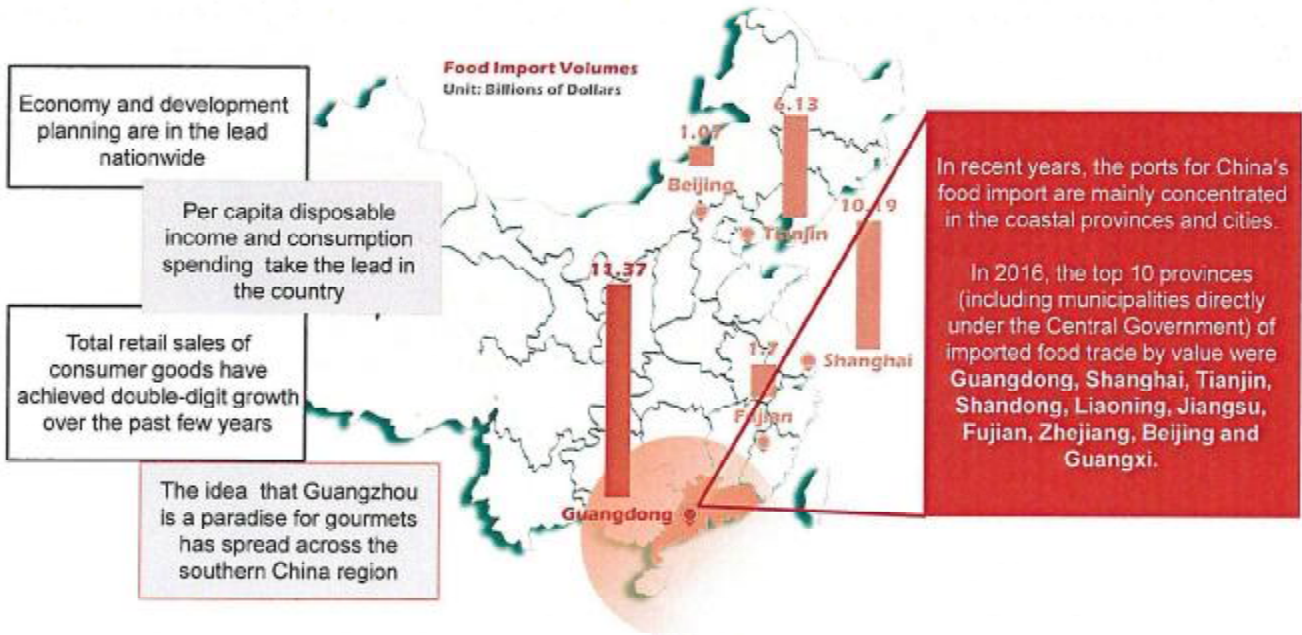

The Mediterranean climate in Turkey is favorable for the production of all kinds of nuts, which is on the rise as the domestic and overseas demand for nuts, especially the hazelnuts, increases. Turkey is the most important producer and exporter of hazelnuts in the world. **It produced an average of about 598,000 tons of hazelnuts per year in the past five years.**

The hazelnut crop it grows accounts for about 70-75% of the world's output, yielding 80% of the hazelnuts produced all over the world. Following the hazelnut, nuts like pistachios, walnuts, chestnuts, peanuts, pine nuts and almonds also have a great production and export potential.
